INTRODUCTION

Thank you for your interest in becoming a Certified Professional Co-Active Coach!

Our vision is that of a viable, ethical, and exemplary Co-Active Coaching community. We are committed to your future as a professional coach. The Certification Program is a rigorously structured program of supervised, selfguided, group, and individual study. The Program is designed for dedicated professionals committed to their individual personal growth for the sake of aliveness and discovery of their clients. While the Program builds on the foundation of knowledge and experiences you have created in your study with CTI in our core curriculum, this Program uses different technologies and experiences to continue your development as a Co-Active Coach.

Please READ THIS PACKET THOROUGHLY to ensure that you are familiar with all aspects of the Program before submitting your application. When you click on the Indication of Agreement button when filling out your application you are signing a legal document agreeing to the policies presented in this information packet.

**All prices listed in this information packet are in U.S. dollars.*

Prerequisites

1. Completion of all four courses (Fundamentals, Fulfillment, Balance & Process) needs to be completed in order to apply and Synergy needs to be completed by the end of the Certification 25-week Program.
2. Have an established coaching relationship with a coach who is certified as a Certified Professional Co-Active Coach (CPCC), as well as, a Professional Certified Coach (PCC) or a Master Certified Coach (MCC) from the International Coach Federation (ICF).

Registration

You may register for the Certification Program at any time by going to CTI's website to register and pay the registration fee. You will not be fully registered until a completed application has been submitted. There are 9 participants in a Pod. The number of Pods started in any given month depends upon the number of applications received. You will not be enrolled into a Pod until you have satisfied the prerequisites, submitted a completed application and have gone through the scheduling process to be placed into a Pod.

INTRODUCTION

Timing

Certification is a 25-week Program. All classes are typically scheduled on Tuesdays and Wednesdays. The actual time of your weekly scheduled call will depend on the Pod that you are enrolled in. You should expect to spend at least three to five hours per week on Certification in addition to coaching your clients.

Application Process

We take applicants on a first-come, first-served basis. If you would like to apply to participate in the Certification Program, your completed application is due no later than the first of the month prior to the month in which you wish to begin (i.e. deadline is April 1st for the May Program). There are a limited number of spaces available each month. We recommend that you get your application in early. You must be registered and have paid the registration fee for your application to be considered.

Your application must be submitted online. The link to the online application is:

During odd numbered weeks you will attend Pod Calls with your group and your Certification Program Leader (CPL). In even numbered weeks you will attend Group Supervision in Weeks 2, 4, and 6 and Triad Calls for the remaining even numbered weeks of the Program.

INTRODUCTION

In-Course Requirements

1. Listen to the pre-recorded Orientation Calls prior to the Program start date.
2. Attendance at 11 of the 13 Group Instruction Calls.
3. Attendance at 8 of the 9 Triad Calls.
4. Attendance at all 3 Group Supervision Calls.**
5. Complete 6 Individual Supervision Coaching Calls.
6. Listen to the assigned Module Audios prior to all scheduled calls with your Pod members.
7. Listen to at least two additional Open Topic Calls.
8. Complete the required Reading, Audio and Homework assignments.
9. Pass the Program quizzes.
10. Maintain a roster of 5 individual ongoing paying clients. Your 5-client roster must be complete by your second Pod Call to remain in the Program. “Ongoing” means that you are coaching each client a minimum of 1 hour per month for at least 3 months. Coaching sessions must be at least 30 minutes per coaching session. This applies to internal and external coaches.
11. Complete 100 hours of paid Co-Active Coaching. (See details in the following section.)
12. Have an established coaching relationship with a coach who is certified as a Certified Professional Co-Active Coach (CPCC), **as well as**, a Professional Certified Coach (PCC) or a Master Certified Coach (MCC) from the International Coach Federation (ICF). No exceptions will be made for coaches without both credentials. During the Certification Program you must meet with your coach for a minimum of 6 hours, **coaching at least one hour per month**. You can count up to 12 hours with your coach towards the 100 coaching hours required to take the Oral Exam. The more time and frequency spent with your coach, the better support you will have during your Certification Program. Your coach must be certified at the time you submit your application.
13. Complete Synergy by the time your Certification Program is complete.
14. All required paperwork must be submitted and approved prior to scheduling your Oral Exam date.

INTRODUCTION

Program requirements will not be excused due to participation in other CTI programs. All requirements must be completed and approved prior to scheduling the Oral Exam.

You will use the Certification Learning Platform to track your progress in meeting these requirements. You must have adequate computer skills to navigate websites, downloading and submitting electronic documents as well as accessing and downloading audios and recordings.

Phone Calls

Most Certification calls are held on Zoom, an online video conference platform. You may also need to dial long distance or internationally to meet with your colleagues.

Client Roster

By your 2nd Pod Call, which is in the third week of your Program, you must validate that you have at least five ongoing, paying clients. You must maintain at least five ongoing clients until your 100 coaching hours are completed. “Paying client” means that there is an exchange of money for services for your coaching. “Ongoing” means that you are coaching each client a minimum of 1 hour per month for at least 3 months. Coaching sessions must be at least 30 minutes per coaching session. This applies to internal and external coaches.

You will need about eight clients if you wish to complete your 100 coaching hour’s requirement within the 25-week Program. If you fall below five clients at any time, you will be required to notify your Certification Program Leader and the Certification Department. You will be given 2 weeks to fill your client roster. If you are unable to do so within the time frame given, you will be asked to leave the Program, and you will be refunded based on the refund schedule under the “Certification Program Policies” section of this packet. If you wish to have only five clients, we encourage you to have some kind of cushion in place, whether it be extra clients, a waiting list, or emergency marketing strategies.

INTRODUCTION

What counts toward my 100 coaching hours?

You may count the following in your 100 coaching hours:

- 6–12 hours being coached by your coach (1 hour per month is required, and you can count a maximum of 12 hours).
- Discovery/Foundation Sessions with clients.
- Ongoing coaching with at least 5 clients. Ongoing means that you are coaching each client a minimum of 1 hour per client each month for at least 3 months. Coaching sessions must be at least 30 minutes per coaching session. This applies to internal and external coaches.
- Completion sessions.
- Paid group or partnership coaching using Co-Active Coaching. One hour of coaching with a group or partnership is counted as one coaching hour — not the number of hours multiplied by the number of clients in the group. For group coaching, the group must be ongoing and have no more than 15 participants.
- Up to 15 hours of barter or pro bono coaching. As long as you have determined a fair dollar amount of services provided and are receiving services, other than coaching, in return from your client.
- Internal coaching: hours spent as an internal coach count toward your 100 hours of coaching time if you meet the following criteria:
 1. Coaching is part of your job description or job objectives.
 2. You are not coaching a direct report.
 3. You meet on an ongoing basis with at least 5 of your clients.
 4. You are only doing one-on-one coaching and no other functions during that time (e.g. consulting, time-management, etc.).
 5. You are using the Co-Active Model with your clients.

INTRODUCTION

What does not count toward my 100 coaching hours?

- Coaching current Certification students — any student who has started Certification and is not yet a CPCC is a current Certification student.
- Demonstrations of coaching in a workshop, training or classroom.
- Coaching in a workshop, training or classroom.
- Sample Sessions with potential clients. Note that these hours may count toward an ICF credential, so keep track of these hours separately. Refer to the ICF website for their current requirements.
- Trading coaching with other coaches.

Course Materials

The Certification course materials are delivered using an online learning platform. Prior to your Program start date you will receive access to the platform where you can access the Program materials and information.

Completing the Program

The final aspect of Certification is the Oral Exam. The Oral Exam is held on the Zoom video conferencing platform and must be completed within one year of your first Pod Call.

All Certification Program requirements must be completed within 30 days after your last Pod Call, with the exception of the 100 coaching hours. You have one year from your Pod Start month to complete your 100 coaching hours. When you have validated with CTI that you have met all Program requirements, including your 100 coaching hours, you then have 30 days to schedule your Oral Exam.

There is no additional fee for the Oral Exam, however, if you cancel or transfer within 30 days of your Exam date, you will be charged a \$75 fee. There are no cancellations or transfers within 7 days of your Exam date.

If you are unsuccessful in passing the Oral Exam the first time, there will be an additional fee of \$400 to retake the Exam. We request that you allow at least month between your Exam review and your Exam retake, and that you retake your Exam no later than 4 months after your original Exam date. Your Examiner may have specific recommendations regarding how long to wait before scheduling your retake Exam.

INTRODUCTION

- You have exactly one year to retake your Oral Exam from the date of your first Oral Exam attempt. If you do not retake your Oral Exam in that one year timeframe, you are no longer eligible to obtain the CPCC credential through CTI. In that case, we will refer you the ICF to apply for a credential through them.

POLICIES

Program Fees

If you have not previously registered, the Certification enrollment fee is \$5,990, which is comprised of a non-refundable registration fee of \$250 due at the time of registration, and a balance of \$5,740. These payments will be charged to the credit card we have on file. Your account must be current for you to register for your exam. POLICIES

Refund Policies

FOR ALL CERTIFICATION PROGRAM PARTICIPANTS, EXCEPT MINNESOTA RESIDENTS:

GENERAL INFORMATION REGARDING CANCELLATIONS, WITHDRAWALS, AND REFUNDS:

If you choose to cancel your enrollment before the beginning of the Program, you will receive a full refund minus a \$250 nonrefundable registration fee. If you cancel after the start of your Program, a refund will be prorated for the unused portion of the Program. If you withdraw from the Program, after the 7th business day of the start of the course, you will receive a Prorated refund, minus the \$250 nonrefundable registration fee, based on the time completed in the course. The refund is calculated from the postmarked date of the written notice. For example, if a student's cancellation is received after completing 50 Program Hours and paid \$5,990, the refund would be calculated as follows: \$5,990 (Program Tuition) \$250 (nonrefundable Registration Fee) = \$5,740 (Program Fee less Registration Fee). \$5,740 divided by 92 (Total Program hours) = \$62.39(Amount per Program hour) x 42 (Program hours not attended) = \$2,620.38 (Student Refund Amount). **TRANSFER FEES:** Students may transfer from one course start date to another two times without penalty, provided the request is made 60 days before the course start date. Subsequent transfers, as well as any transfer made within 60 days of the course start date, will be assessed a \$125 fee. **TRANSFERS ARE NOT ALLOWED AFTER WE HAVE CONFIRMED YOU INTO A POD.**

NOTICE OF CANCELLATION/WITHDRAWAL AND REFUNDS:

Written notice of cancellation shall take place on the date the notification of cancellation/withdrawal is delivered to the school. Refunds will be made within 45 days following the receipt of written requests.

FOR ALL CERTIFICATION STUDENTS:

The Co-Active Training Institute is licensed with the Bureau for Private Postsecondary Education, State of California. Licensing means we have met certain minimum standards imposed by the state for licensed schools on the basis of our written application to the state. You will receive an enrollment agreement that details the full refund and Program policies.

Pod Assignments

Pods are not created until after the application deadline has passed for each month. At that time we can determine how many classes we are able to open for that month. There are 9 students in a Pod and we will open as many Pods as we are able, based on the number of applications we receive. An email will be sent to all applicants letting them know what Pods have been created for that month. At this time the applicant will let us know what Pod times they are able to attend from the offered times. We will then place students into the Pod time of their choice according to the order in which your application was received. Pods are typically offered on Tuesdays and Wednesdays and can start as early as 4 a.m. Pacific Time and as late as 5 p.m. Pacific Time. Pods tend to start toward the end of each month.

Monthly Payment Information

The first of five automatic credit card charges will take place the 1st business day of the month starting the month you begin your Program and approximately every 30 days after. All participants, with the exception of those who paid the Program fees in full, must have a valid credit card on file. When you submit on your online application, you must also provide credit card information for future payments.

Application Review Process & Certification Enrollment

CTI will notify you of your application status via email within 48 business hours of receipt.

As stated above, not all applicants may be able to begin in the month for which they've applied. Classes are limited to 9 people, and priority for placement in Certification Pods is given based on when approved applications are received, earliest to latest. You are not confirmed to begin in a particular month's Certification Program until you have been placed in a Pod and receive the Pod confirmation email.

CTI will contact you by email, after your application is received and the application deadline has passed, to notify you of the specific available dates and times. All classes are currently scheduled on Tuesdays or Wednesdays. You will be given approximately 3 to 5 days to respond to the CPS with your first and second choice of Pod times. Note that the more Pod times you are able to give us, the better your chances are of getting into a Pod for that month. After all time preferences have been received from approved applicants, the CPS will contact you via email to confirm your status in a Pod or help you choose a future start month.

Your access to the course materials will arrive via email. When you receive the email you need to verify that you are able to access the materials prior to your call. You will be required listen to pre-recorded Orientation audios and videos prior to your first scheduled Pod Call.
